NOTICE OF GENERAL MEETING

The inaugural General Meeting of ISIP, representing CFA charterholders and candidates in Israel, will take place on:

- Date: **Wednesday, 2nd September**
- Place: **KCPS Clarity, 1 Azrieli Center**
- Time: **18.30**

The meeting will formally establish ISIP, adopt governing bye-laws, elect a Board of directors, and establish work priorities for the following year.

All paid-up CFA charterholders and candidates will receive further details in due course. Please be in contact if you have not yet received an initial notice of the meeting.

A GRADER'S EXPERIENCE

For the first time, a CFA charterholder from Israel took part in the international grading process for the CFA Level III exams in Charlottesville, earlier this summer.

It was an important recognition of the growing number of charterholders in Israel. An account of his experience will be given in one of the coming monthly newsletters.

EXAM RESULTS

Exam results are out for this year's CFA® exams. Many congratulations to candidates that have received some good results – especially those that have passed the Level III exam and are on their way to becoming a CFA charterholder.

We have already heard updates from some Israel-based candidates, but please be in touch if you have not updated us already with your results.

Details of new charterholders to follow in next month's CFA newsletter.
