Board Elections

In the last couple of newsletters we have reported back on the ISIP AGM which was held in September and the work priorities for the coming year.

We haven't had a chance to update on changes to the Board and specifically to express our appreciation for the work done by departing Board members.

A special thank you to Tomer Cohen, CFA who served as Board Secretary and put in a huge amount of effort and time to establish amuta (non-profit) status for ISIP. We are very grateful for his work and wish him good luck in his re-location overseas and hope to see him back in the future.

Thank you also to Roman Chernishev, CFA who served as Board member for our inaugural year.

We welcome to the Board, Jeremy Rosenbaum, CFA, who has been in Israel for just over a year and was elected to one of the vacant Board positions at the AGM.
