iShares, the sponsor of the Israel Society of Investment Professionals, is hosting the 2017 **BlackRock Alpha Beta Investment Forum**, and their Israel Office Opening Reception next week in Tel Aviv (Thursday, May 4th).

If you are a CFA charterholder or candidate, Blackrock would be delighted to see you there – please get in touch and I will send on details. Anyone else that is interested, please contact me and I can check availability (email below).

Finance for Normal People

Professor Meir Statman, who was a keynote speaker at one of our previous events, has just published his latest book, available on Amazon.

Professor Statman will be in Israel in mid-May, presenting his latest research at a behavioral finance conference in Tel Aviv on the 23rd.

If you would like to know more details about the conference, please be in contact.
