Record number of CFA Charterholders in Israel

Following the success of the latest CFA Charterholders who passed Level III exams, we are delighted to report crossing an important milestone in the promotion of the CFA Charter in Israel. With more charterholders on the way, we actually now have more than the fifty shown above.

We look forward to profiling our newest charterholders in a later newsletter. For now, congratulations to all successful candidates from this summer's exams.

ISIP – Annual General Meeting Tuesday 12th September

The ISIP AGM will take place SOON, at 5.30pm, on Tuesday 12th September. The meeting will take place in Clarity Capital's offices in the Azrieli towers in Tel Aviv.

Charterholders and candidates will receive a separate email with full details.

We are looking for new Board members to play an official role in our work over the coming year. There are vacancies on the Board and enthusiastic volunteers are invited to be in touch to fill those roles.

All are welcome to the meeting – other than official ISIP business it will be an opportunity to catch up with other charterholders and candidates.
